**“ We care about  
Mobility & eMobility**

## QUALITY POLICY

Aware that quality and continuous improvement are the best investment, **CIRCONTROL** has adopted the following measures:

- To achieve quality and continuous improvement, **CIRCONTROL** bets in training properly their employees and encourage their commitment to raise their awareness in the application of **ISO 9001:2008**.
- Be in direct contact with our commercial network and customers to detect and correct any deviation that could happen.
- Finally, to pay attention to market needs and relevant interested parties to constantly improve the product and offer a better service according to our current and potential customers.

To summarize, CIRCONTROL intends to consolidate quality management, risk management, continuous improvement and the complete satisfaction of the customers.
